

GENEROS Y ESPECIES NUEVOS PUBLICADOS  
EN LOS DIEZ TOMOS DE "ANALES DEL INS-  
TITUTO DE BIOLOGIA" 1930-1939

SCHYZOMYCETES.

**BOTANICA.**

**Orden: EUBACTERIALES.**

**Familia: LACTOBACTERIACEAE.**

*Lactobacillus patonii* spec. nov. Nieto y....  
Maecke. . . . . T. IX. 25. 1938.

SCHIZOPHYCEAE.

**Orden: HORMOGONALES.**

**Familia: OSCILLATORIACEAE.**

*Oscillaria tenuissima* spec. nov. Sámano.... T. III. 50. 1932.

División: CHLOROPHYCEAE.

Clase: PROTOCOCCALES.

**Familia: HYDRODICTYACEAE.**

*Pediastrum acantostephanos* spec. nov.....  
Sámano. . . . . T. III. 235. 1932.

**Orden: CHLODOCOCCEALES.****Familia: OOCYSTACEAE.**

|                                               |    |     |     |       |
|-----------------------------------------------|----|-----|-----|-------|
| Zoocystis gen. nov. Sokoloff.....             | T. | IV. | 47. | 1933. |
| Zoocystis vorticellae spec. nov. Sokoloff.... | T. | IV. | 47. | 1933. |

**División: CHARALES.****Familia: CHARACEAE.**

|                                            |    |      |      |       |
|--------------------------------------------|----|------|------|-------|
| Chara tehuacanensis, spec. nov. Sámano.... | T. | III. | 233. | 1932. |
|--------------------------------------------|----|------|------|-------|

**ASCOMYCETES.****Orden: ENDOMYCETALES.****Familia: ENDOMYCETACEAE.**

|                                              |    |     |      |       |
|----------------------------------------------|----|-----|------|-------|
| Zygosaccharomyces ochoterenai spec. nov. .   |    |     |      |       |
| Ruiz. . . . .                                | T. | VI. | 139. | 1935. |
| Saccharomyces carbajali, spec. nov. Ruiz.... | T. | IX. | 49.  | 1938. |
| Pichia barragani spec. nov. Ruiz.....        | T. | X.  | 191. | 1939. |

**DICOTYLEDONEAE.****Orden: OPUNTIALES.****Familia: CACTACEAE.**

|                                               |    |      |      |       |
|-----------------------------------------------|----|------|------|-------|
| Opuntia bravoana spec. nov. Baxter.....       | T. | IV.  | 149. | 1933. |
| Opuntia hoffmanni spec. nov. Bravo.....       | T. | I.   | 89.  | 1930. |
| Opuntia lagunae spec. nov. Baxter.....        | T. | III. | 181. | 1932. |
| Cephalocereus mezcalaensis spec. nov.....     |    |      |      |       |
| Bravo. . . . .                                | T. | III. | 378. | 1932. |
| Myrtillocactus grandiareolatus spec. nov..... |    |      |      |       |
| Bravo. . . . .                                | T. | III. | 15.  | 1932. |
| Echinocereus ochoterenae, spec. nov. Ortega.  | T. | I.   | 177. | 1930. |
| Neomammillaria guerreronis spec. nov. Bravo.  | T. | III. | 395. | 1932. |

|                                              |    |     |      |       |
|----------------------------------------------|----|-----|------|-------|
| Neomammillaria hamiltonhoytea spec. nov...   |    |     |      |       |
| Bravo. . . . .                               | T. | II. | 130. | 1931. |
| Neomammillaria mendeliana spec. nov. Bravo.  | T. | II. | 195. | 1931. |
| Neomammillaria ochoterenae spec. nov.....    |    |     |      |       |
| Bravo. . . . .                               | T. | II. | 127. | 1931. |
| Neomammillaria ortizrubiona spec. nov.....   |    |     |      |       |
| Bravo.. . . .                                | T. | II. | 193. | 1931. |
| Neomammillaria patonii spec. nov. Bravo..    | T. | II. | 129. | 1931. |
| Neomammillaria schmollii spec. nov. Bravo... | T. | II. | 123. | 1931. |

## ZOOLOGIA.

### MASTIGOPHORA.

#### Orden: PHYTOMONADIDA.

##### Familia: CHLAMYDOMONADIDAE.

|                                           |    |     |      |       |
|-------------------------------------------|----|-----|------|-------|
| Chlamydomonas caeca spec. nov. Sokoloff.. | T. | IV. | 197. | 1933. |
|-------------------------------------------|----|-----|------|-------|

##### Familia: VOLVOCIDAE.

|                                               |    |       |      |       |
|-----------------------------------------------|----|-------|------|-------|
| Pandorina morum oligosoma forma. ....         |    |       |      |       |
| nov. Sokoloff. . . . .                        | T. | VIII. | 170. | 1937. |
| Paragonium biscleriatum spec. nov. Sokoloff.. | T. | VIII. | 169. | 1937. |

#### Orden: EUGLENOIDIDA.

##### Familia: EUGLENIDAE.

|                                             |    |     |      |       |
|---------------------------------------------|----|-----|------|-------|
| Euglena parasitica spec. nov. Sokoloff..... | T. | IV. | 204. | 1933. |
| Phacus asimetricus spec. nov. Sokoloff..... | T. | IV. | 200. | 1933. |

##### Familia: ASTASIIDAE.

|                                           |    |    |      |       |
|-------------------------------------------|----|----|------|-------|
| Astasia truncata spec. nov. Sokoloff..... | T. | V. | 333. | 1934. |
|-------------------------------------------|----|----|------|-------|

### SARCODINA.

#### Orden: AMOEBAEA.

##### Familia: AMOEBIDAE.

|                                           |    |     |     |       |
|-------------------------------------------|----|-----|-----|-------|
| Amoeba villosa actinocauda forma nov..... |    |     |     |       |
| Sokoloff. . . . .                         | T. | IV. | 27. | 1933. |

## CILIATA.

## Orden: HOLOTRICHIDA.

## Familia: PHILASTERIDAE.

*Lemboides digitiformis* var. *parvus*. Sokoloff. T. VI. 131. 1935.

## Familia: PARAISOTRICHIDAE.

*Ochoterenai* gen. nov. Chavarría..... T. IV. 191. 1933.

*Ochoterenai appendiculata* spec. nov.....  
Chavarría.. . . . . T. IV. 191. 1933.

## Orden: HETEROTRICHIDAE.

## Familia: PLAGIOTOMIDAE.

*Nyctotherus gamarra* spec. nov. Schouten.. T. VIII. 390. 1937.

*Nyctotherus ochoterenai* spec. nov. Schouten. T. VIII. 387. 1937.

## Familia: STENTORIDAE.

*Stentor oligonucleatus* spec. nov. Sokoloff.. T. I. 327. 1930.

## Orden: OLIGOTRICHIDAE.

## Familia: OPHRYOSCOLESCIDAE.

*Entodinium trieuspis* spec. nov. Chavarría... T. IV. 130. 1933.

*Entodinium quadrieuspis longispinosus* for..  
ma nov. Chavarría. . . . . T. IV. 132. 1933.

## TREMATODA.

## Orden: Monogenea.

## Familia: UDONELLIDAE.

*Callinella myliobati* spec. nov. Guberlet..... T. VII. 461. 1936.

**Familia: TRISTOMIDAE.**

*Epibdella pacifica* spec. nov. Guberlet..... T. VII. 468. 1936.

**Familia: POLYSTOMATIDAE.**

*Polystoma* (*Polistomoides*) *domitilae* spec...  
nov. Caballero.. . . . . T. IX. 107. 1938.

**Orden: DIGENEA.**

**Familia: PARAMPHISTOMIDAE.**

*Schizamphistoma manati* spec. nov. Caballero  
y Sokoloff. *Chiorchis fabaceus*..... T. III. 163. 1932.  
*Schizamphistomoides tabacensis* spec. nov...  
Caballero y Sokoloff. . . . . T. V. 41. 1934.

**Familia: PLAGIORCHIDAE.**

*Haematoloechus elongatus* spec. nov. Caba-  
llero. . . . . T. V. 33. 1934.  
*Renifer grandispinus* spec. nov. Caballero.. T. IX: 109. 1938.

**Familia: CEPHALOGONIMIIDAE.**

*Cephalogonimus robustus* spec. nov. Caballe-  
ro y Sokoloff... . . . . T. VII. 145. 1936.

**Familia: TELORCHIDAE.**

*Cercorchis dissimilis* spec. nov. Caballero... T. IX. 112. 1938.  
*Cercorchis patonius* spec. nov. Caballero.. T. VI. 185. 1935.

**NEMATODA.**

**Orden: EUNEMATODA.**

**Familia: OXYURIDAE.**

*Oxysomatium mexicanum* spec. nov. Caballero. T. IV. 187. 1933.

**Familia: KATHLANIDAE.**

|                                                       |    |     |      |       |
|-------------------------------------------------------|----|-----|------|-------|
| <i>Dibulbiger longispiculis</i> spec. nov. Caballero. | T. | VI. | 103. | 1935. |
| <i>Spironoura intermedia</i> spec. nov. Caballero.    | T. | X:  |      | 1939. |

**Familia: ASCARIDAE.**

|                                                       |    |    |     |       |
|-------------------------------------------------------|----|----|-----|-------|
| <i>Ophidascaris ochoterenai</i> spec. nov. Caballero. | T. | X. | 75. | 1939. |
|-------------------------------------------------------|----|----|-----|-------|

**Familia: HETEROCHEILIDAE.**

|                                                    |    |     |      |       |
|----------------------------------------------------|----|-----|------|-------|
| <i>Contracaecum hoffmani</i> spec. nov. Caballero. | T. | VI. | 285. | 1935. |
| <i>Contracaecum caballeroi</i> spec. nov. Bravo..  | T. | X.  | 293. | 1939. |

**Familia: SPIRURIDAE.**

|                                                 |    |     |      |       |
|-------------------------------------------------|----|-----|------|-------|
| <i>Spiroxys corti</i> spec. nov. Caballero..... | T. | VI. | 108. | 1935. |
|-------------------------------------------------|----|-----|------|-------|

**Familia: THELAZIIDAE.**

|                                                    |    |       |      |       |
|----------------------------------------------------|----|-------|------|-------|
| <i>Oxyspirura navali</i> spec. nov. Caballero..... | T. | VII.  | 469. | 1936. |
| <i>Oxyspirura (Oxyspirura) toroi</i> spec. nov.... |    |       |      |       |
| Caballero. . . . .                                 | T. | VIII. | 399. | 1937. |

**Familia: CAMALLANIDAE.**

|                                                  |    |    |     |       |
|--------------------------------------------------|----|----|-----|-------|
| <i>Camallanus magnorugosus</i> spec. nov. Ca-... |    |    |     |       |
| ballero. . . . .                                 | T. | X. | 76. | 1939. |

**Familia: FILARIIDAE.**

|                                                     |    |      |      |       |
|-----------------------------------------------------|----|------|------|-------|
| <i>Micropleura sigmodoni</i> spec. nov. Ochoterena  |    |      |      |       |
| y Caballero. . . . .                                | T. | III. | 123. | 1932. |
| = <i>Litomosoides cariini</i> .                     |    |      |      |       |
| <i>Chandlerella striata</i> spec. nov. Ochoterena.. |    |      |      |       |
| y Caballero. . . . .                                | T. | VI.  | 115. | 1935. |
| = <i>Foleyellides striatus</i> .                    |    |      |      |       |
| <i>Foleyellides</i> gen. nov. Caballero..           | T. | VI.  | 115. | 1935. |
| <i>Aprocta nyctidromi</i> spec. nov. Caballero...   | T. | IX.  | 159. | 1938. |
| <i>Microfilaria rhamphastotis</i> spec. nov.....    |    |      |      |       |
| Caballero. . . . .                                  | T. | VII. | 472. | 1936. |

GORDIACEA.

Orden: GORDIDA.

Familia: CHORDODIDAE.

*Chordodes nietoi* spec. nov. Caballero..... T. VII. 486. 1936.

CHAETOPODA.

Orden: POLICHAETA.

Familia: SPIONIDAE.

*Polydora heterochaeta* spec. nov. Rioja..... T. X. 297 1939.

HIRUDINEA.

Orden: HIRUDIDA.

Familia: GLOSSOSIPHONIIDAE.

*Glossiphonia socimulcensis* spec. nov. Caba-...  
llero.. . . . . T. II. 85. 1931.  
*Helobdella moorei* spec. nov. Caballero.... T. IV. 183. 1933.

Familia: HERPOBDELLIDAE.

*Herpobdella ochoterenai* spec. nov. Caballero. T. III. 33. 1932.  
*Potamobdella* gen. nov. Caballero.. . . . . T. II. 223. 1931.  
= *Batrachibdella*.  
*Potamobdella oaxacensis* spec. nov. Caballero. T. II. 123. 1931.  
= *Batrachobdella oaxacensis*.

Familia: HIRUDIDAE.

*Haemopsis profundisulcata* spec. nov. Caba-...  
llero.. . . . . T. IV. 23. 1933.  
*Pintobdella* gen. nov. Caballero.. . . . . T. VIII. 182. 1937.

|                                               |    |     |      |       |
